

History Hours

Autumn 2011 programme

Wednesday 7 September

The story of **Beaumont Park** is told in a new history published by the Friends of Beaumont Park. We have invited the author, **John Pearson**, to give us an illustrated talk about Huddersfield's first municipal park.

Wednesday 5 October

Alderman Arthur Gardiner chaired the Parks Committee from 1938 to 1967 and played a key role in the wartime Holidays at Home programme. Local historian **Cyril Pearce** will tell us more about this remarkable man who became known as 'Mr Huddersfield'.

Wednesday 2 November

As we prepare to mark Remembrance Day in Greenhead Park, **the Park's war memorials** will be the topic for a talk by military historian **John Rumsby**.

History Hour sessions are held in the Greenhead Park Community Room (in the cafe building by the tennis courts) from 12.30 to 1.30pm

All are welcome to these free events organised by the
