## **A GUIDE TO EXHIBITORS AND JUDGES**

**Five Florists Gladioli** - One vase, any type or classification. Any cultivar(s) including miniatures and primulinus. Staged for all around the vase viewing and effect. The gladiolus is basically a florists flower and the exhibit should demonstrate the quality of spikes that should be expected from a top class florist and displayed around the circumference of a vase to be placed, say, on a coffee table or in a front window. They should be presented at a stage with 3, 4, 5 florets open. Exhibitors bring along your Monday glads.

**One Specimen Show Gladioli** - One vase, any type or classification. Any cultivar(s) excluding miniatures and primulinus. This is a class for the glads with 10, 12, 13 or more open florets. In other words the Friday spikes.

**One Informal Show Gladioli** - One vase, any type or classification. Any cultivar(s) excluding miniatures and primulinus. Same rules, same points system as our modern show glads but placement accepted as informal, i.e. the florets placed in zig-zag formation on the spike but ideally regularly placed. The florets not overlapping as in the double row formal spikes but spaced to give a more open effect. This gives exhibitors a chance to widen the choice of cultivars they now grow – we have been overlooking some beautiful cultivars just because they do not present a solid ribbon of colour.

**One Decorative Gladioli** - One vase, any type or classification. Any cultivar(s), miniatures and primulinus included. Again an opportunity to widen your choice. Similar points system as our modern show glads but less emphasis on placement and formality but more on beauty, colour and decorative appeal. This is a class for the exotic types and novelties.

## **GLADIOLUS SHOW RULES**

1. The staging and judging of all gladioli exhibited will be based on the North American Gladiolus Council's system of classification and judging, as modified by the BGS and the YGS.
2. A novice is an exhibitor who has won not more than five 1<sup>st</sup> prizes in any major gladiolus Show, BGS, YGS, Harrogate or Southport.
